Socks – Rugby/Football/Hockey (School regulation)	2 pair
Sun Hat – White with School monogram (School regulation)	1
Track Pants – Black with School monogram (School regulation)	1

## **NAMING OF CLOTHING & FOOTWEAR**

### **Clothing**

- All clothing must be **clearly** marked with a student's name. Woven, sew-on nametapes are recommended and can be ordered through the School Shop.
- **Nametapes** should be in the **House colour**, or sewn onto bias binding in the House colour, to help Laundry staff with identification:
  - Clark: Dark Blue
  - Sargood: Scarlet
  - Williams: Green
- For ease of identification, **please attach nametapes** as follows:
  - To shirts and other tops: inside the collar at the back of the neck.
  - To shorts, trousers, underwear, etc: at the centre rear of the waistband (inside).
  - To socks: at the top (*outside* for long socks; *inside* for short socks). Please add a loop to each sock to allow pairs to be tied together prior to being put into the wash.
  - To duvet covers and pillow cases: at a corner, along an outside edge.
  - To towels: at a corner.
- Boarders should have an extra supply of nametapes that can be left with the House Matron for the occasional garment purchased from the School Shop during term.
- Consideration needs to be given to the type of fabric from which non-uniform items (such as mufti) are made: **wash-and-wear clothing is most suitable**.
- Items sent to the School Laundry are washed in warm/hot water and dried in tumble driers. For this reason the Laundry does **not** wash black School jerseys, which should be either dry cleaned or washed at home.

### **Footwear**

- Please ensure that all footwear is clearly and indelibly named. It should be clearly marked under the tongue (e.g. using twink) with the owner's name.

**YOUR ASSISTANCE WITH ENSURING ALL ARTICLES OF CLOTHING AND FOOTWEAR ARE CLEARLY NAMED WOULD BE GREATLY APPRECIATED!**
