

Dear St Paul's Collegiate School Family

As we begin a new year with a new Headmaster we look forward to being carried along on the wave of enthusiasm and energy that change brings. With the introduction of Year 11 girls coinciding with the celebration of 25 years of girls attending St Paul's, there is much to celebrate this year.

The proposed refurbishment of the Old Collegians' Pavilion is also another exciting new development – meeting the changing needs of the school as it grows. There is an opportunity to be a part of this development by making a contribution.

Become a part of the St Paul's community reigniting and confirming your connections with the School.

There are a number of key points that set St Paul's apart from other schools in the Waikato and beyond. They are:

✱ **Personalised Education**

- Size and structure means students known personally

✱ **Structured to reflect best for both sexes**

- Boys only Junior School
 - Best for boys during formative Year 9 and Year 10 years
- Co-educational Senior School
 - Natural socialisation of sexes towards leaving school

✱ **Tihoi Venture School Yr 10 Boys**

- Unique life changing experience of self discovery

✱ **Academic Excellence**

- Achieving “personal bests” expected
- NCEA and Cambridge Options

✱ **Holistic Education**

- Sport, Culture and Christian dimensions

To secure a strong place in the future will depend on the continued support of the St Paul's School family of parents and Old Collegians. To sustain the School into the future the Giving Programme and Foundation Membership are again profiled in this issue. The Giving programme seeks a donation from every member of the St Paul's community as a one off gift, or a regular pledge contributed over a number of years. Please fill out the coupon in the centre of the magazine and help make a difference. Importantly, please ring two Old Collegians' and encourage them to give. The Foundation considers no contribution too small.

THE WHOLE IS GREATER THAN THE SUM OF THE PARTS

Check and update your details

It is important that your details are correct so we only send you information that is relevant to you. If your details below differ from our records or if we are missing information please amend the information below and post to:
