Uniform Fitting Appointments

We would like to take this opportunity to extend a warm welcome to parents and caregivers of new students to St Paul's Collegiate School.

We endeavour to make the process of purchasing uniform as easy and enjoyable as possible, and to ensure that we provide you with one on one service we work with a fitting appointment system.

Appointments for new uniform purchase are available during the school term throughout the year between the hours of 8.00am – 3.30 pm. The shop will close for the year on Tuesday 5 December 2017 at 1pm and will reopen Wednesday, 10 January 2017. The hours of trading will be Monday to Friday 8am – 4pm.

We understand that it is often preferable to purchase your child's uniform as near as possible to the start of the school year but we are simply unable to accommodate all our new families for fittings in the New Year. For this reason we are more than happy to exchange unnamed items in their original packaging with tags attached to allow you to make your purchase earlier with confidence that items will be exchanged if your child grows over the Christmas break.

If you require information around second hand uniform items please contact me directly, as limited times apply.

If circumstances change following arrangements for an appointment, and you are unable to attend please let me know as soon as possible to allow this time to be available for others. Please also arrive promptly for your appointment time – we do not wish to have to reschedule but may be forced to do so in consideration of others.

As well as supplying school uniform, the School Shop stocks stationery, personal care items and all Tihoi clothing and equipment at competitive prices.

In regard to stationery, our Year 9 and 10 students are issued with a stationery pack in their first week at school, and senior students are able to purchase their own stationery items (from us or elsewhere if need be) once they have been indicated by their subject teachers.

If you have any queries please make contact with me, or pop in and talk to our friendly staff.

We look forward to assisting you.

Kind Regards

Sandy Koopman
